Thanks so much Annie. This is really helpful. I really appreciate it.

I have one more question. Who would have "generated" the report. You or Peter (as in, who should I introduce it through).

Have a good day

Kathleen

Sorry Kathleen. I just got your email.

See attachment for the predicate questions. You may want to edit it for your case.

As for the Drug Cert, we do not keep a copy of the Cert with us in the lab. The original should be in the evidence envelope with the drugs. You may want to contact Boston DCU.

Thanks.

Annie,

Sorry. I have one more request. When you come to court, do you mind bringing a copy of the drug cert for the drugs that were found on [REDACTED] The lab number for that is [REDACTED] I have a copy but it is from a fax so I'm thinking a clean copy would be the best.

Thanks so much

Kathleen

Hey Annie,

I don' t know if you are working today, so you may not get this email until Monday, at which it would be too late. If you are in today and have the time, so you mind sending me an outline of questions to ask you.

By the way, we are going to trial for sure on CW v. [REDACTED] I' ll give you a call on Monday to give Peter and you the heads up about when I would need you. Most likely, it would be Tuesday morning.

Have a great weekend

Kathleen
